Principal's Column

With school reports and parent/teacher/student meetings just around the corner, I thought it was a good time to consider once again what are the optimum conditions in which children learn. I am sure there would be a lot of agreement on many of those conditions – having a good teacher would be one that everyone would agree on.

If we were to look at all the students who do well at school compared to those who ‘struggle’, and asked the question, ‘What are the things in place for those kids who do well that those who struggle don’t have in place?’, I think the answer would come down to a few simple, and probably obvious, principles.

- **Good school attendance**
  Apart from the obvious reason - that the more time you spend at school with good teachers, the more you learn - good attendance is also an indicator that parents are serious about their child’s education and that there is some sort of organisation and stability in the child’s life. Which is important.

- **Good teachers**
  What makes a good teacher? To me it is someone who cares deeply for the kids, knows them well and attends to their needs (academic and social).

- **Supportive Family**
  By this, I mean a family who have high

**Principal’s Column**

With school reports and parent/teacher/student meetings just around the corner, I thought it was a good time to consider once again what are the optimum conditions in which children learn. I am sure there would be a lot of agreement on many of those conditions – having a good teacher would be one that everyone would agree on.

If we were to look at all the students who do well at school compared to those who ‘struggle’, and asked the question, ‘What are the things in place for those kids who do well that those who struggle don’t have in place?’, I think the answer would come down to a few simple, and probably obvious, principles.

- **Good school attendance**
  Apart from the obvious reason - that the more time you spend at school with good teachers, the more you learn - good attendance is also an indicator that parents are serious about their child’s education and that there is some sort of organisation and stability in the child’s life. Which is important.

- **Good teachers**
  What makes a good teacher? To me it is someone who cares deeply for the kids, knows them well and attends to their needs (academic and social).

- **Supportive Family**
  By this, I mean a family who have high
Oak Park Primary School will work collaboratively to provide a stimulating, safe and challenging learning environment that promotes resilient, innovative thinkers.

expectations of their children academically, socially, behaviourally and one that works with the school to support their child’s learning at home, eg listening to reading etc.

- **Optimism**
  Happy/Positive people generally do better, bounce back when things go wrong, persist and believe they will succeed. A positive outlook can help enormously.

- **Reading every day**
  The simplest, most powerful thing you can do for your kids educationally, is to listen to them read every day for 20 minutes. Simple as that.

There are other things that contribute to a child doing well at school. I’m sure you have a few beliefs of your own. Feel free to let me know what you think – I’d be happy to share a few responses in the newsletter.

**School Ambulance Policy**

A recent situation involving the transportation of a pupil to hospital by ambulance has prompted a review of school procedures against Department of Education and Training (DET) guidelines.

The school has assessed the incident and broader procedures in relation to the supervision of children being transported by ambulance and has decided that the existing process of determining who travels in an ambulance with a child continues to be made on a case-by-case basis and that at all times the welfare of the child is the overriding priority.

In all cases the primary concern when considering the transportation of a child in an ambulance is that the student is in the care of a responsible adult (teacher, ambulance officer or nurse) at all times; and that the student is safe.

The review process was has been endorsed by the School Council, which is satisfied with the school’s actions in relation to the particular incident, and with the broader review the school has undertaken.

The School council passed a motion to accept the “school’s actions as appropriate for the situation and that the child was never in harm’s way.”

When a child becomes ill or is injured at school, teachers and staff must assess the immediate situation and put in place an adequate response under extremely stressful circumstances. On behalf of the school community I would like to acknowledge the wonderful job our teachers and staff do in all situations and thank them for their efforts.

Rory Sercombe

School Council President

**School Parking**

We would remind all families that parking is **NOT** permitted in the staff car park, nor ‘dropping off/picking up’.

Many parents tell us that they are ‘running late’, ‘just here for a minute’, ‘it’s raining’, ‘there’s nowhere to park’ etc.
While we understand all these reasons, this is a car park for STAFF ONLY. Many staff also have to park in the surrounding streets as our car park is very small. It is extremely frustrating to see parents utilising this car park.

There are also families who park in the disability car park, especially when picking up children early or dropping them off late. Please understand that we do have a student who uses a wheelchair, and most days the parent is unable to park in the permitted car park. This can cause untold stress on the family, as they are unable to park anywhere else other than here, so please be considerate, and lawful.

Oak Park Puzzlers

WEEK 6: Last Weeks puzzle was:

“If you were driving around Australia, is it shorter to go clockwise or anti-clockwise?”

No-one guessed the answer which was: “anti-clockwise, because you are driving on the left hand side of the road”

There will be no puzzle this week

If you would like to be a guest puzzler please email them to the above address.

Happy Puzzling

Walking School Bus

For those who may not be aware, Oak Park Primary School has the first, and now the only surviving “Walking School Bus” in the Moreland district. I have been in charge of the bus for ten years, but now my time at Oak Park PS is drawing to an end, with my youngest child in year 6. I hope that my The Walking School Bus route is picked up but another volunteer next year, or someone may wish to start another new route. Please contact me if you like walking to school and would be interested in keeping this wonderful service going.

If you are unfamiliar with this service, The Walking School Bus is a “bus” powered by legs! It is a safe, healthy and convenient way for children to travel to school. The bus route is run by parent volunteers. The children are picked up from designated stops along the way, and can be left to the care of the adult driver who ensures that they arrive at school safely and on time: (however some parents choose to walk along, too!)

The Walking School Bus is a fun way for children of all ages to get to exercise, make new friends and arrive at school safely. It is also very helpful for parents who struggle to take their children to

school and also get to work on time. By joining a Walking School Bus your family is helping the environment and reducing traffic around the school. It is a regular service weekly service, unlike the occasion “Walk/Ride to school” days which our local council is now more interested in promoting.

Station Road route: Tuesday and Friday mornings

This route follows the railway line to the east of the school, cuts through the playground behind the ambulance station, before crossing Pascoe Vale Rd and entering the school at the Ridge Rd gate.

Contact the office for further details: 9306 9182 or call me directly for information.

Grade 5K Toy Drive

Dear Parents and Guardians,

As part of our CBL (Challenge Based Learning) unit on health we are having a toy drive. In this world there are people less fortunate than us and we are collecting toys to donate to The Salvation Army. The Salvation Army is an organisation that raises money from their shops to go towards helping people who need it. We are collecting second hand toys because they make kids happy and it allows them use their imagination which is good for their mental health.

We are starting to collect second hand toys on Wednesday 8th of June and the deadline to bring them in is Friday the 17th of June. A box will be located outside the 5/6 area where one of the members of this group will be there to take your donation. Please make sure the toys are clean and in good condition. No electronics please.

Kind Regards

Chloe, Bethany, Mia. M, Summer and Audrey 5K

Election Day BBQ

Oak Park Primary School, along with Oak Park Kinder are holding an Election Day BBQ at the polling booth at the primary school on Saturday July 2nd from 8am till 4pm.

Make sure you come along, vote and buy a sausage & drink, to help the school and kinder in our fundraising activities. ☺

Cross Country

This term the grade 3, 4, 5 and 6 students have been working to increase their ability to maintain an effort when running long distances. I have been impressed by the willingness of all our students to participate in Cross Country Running training and competition. We have been working on developing a way to make it enjoyable and understand this is a sport that most adults would not choose to do, as it is so tough. Well done to all the students who participated.

Further more, we have had some great success in the district event with Zane Omar, Jake Bruni, Grace Jory, Morgan Brownnett, Charlie O’ Brien, Yifen Soukaseun, Joe Ricco, Kane Iskra and Molly Liddy all going on to the division competition. Nine of the thirty spots available have gone to our students. Well Done Oak Park! And good luck.

Foundation A Café

Last Friday the Foundation A Café was open for business. The café workers were busy looking after customers and taking orders from everyone. The staff were excited to serve the best tea, coffee, hot chocolate, smoothies and juices in Oak Park. We served a range of healthy choice menu items including fruit salad, vegetable pasta and delicious sandwiches. We have Oak Park’s most efficient and welcoming waiters, chefs and baristas at the Foundation A Café. The Café open morning was an exciting event and a huge success. Thank you customers for visiting and making healthy choices.

Deluxe Bar & Lounge in Moonee Ponds, would like to invite all the parents and friends down on Sunday 12th of June Queens Birthday Long Weekend. The cost is $10 entry but for anyone who says "Oak Park Primary" at the door we will give $3 per person back to the school. There will be Live Music on the heated and undercover roof top, followed by DJ's playing all the latest and old school Hits. We are hoping to create a fun and relaxed atmosphere where we can all still feel comfortable and enjoy a few laughs, music and maybe a couple of drinks!
