Principal's Column

Everyone has some notion of the optimum conditions in which children learn. I am sure there would be a lot of agreement on many of those conditions – having a good teacher would be one that everyone would agree on.

If we were to look at all the students who do well at school compared to those who 'struggle', and asked the question, 'What are the things in place for those kids who do well that those who struggle don't have in place?', I think the answer would come down to a few simple, and probably obvious, principles.

- Good school attendance
Apart from the obvious reason - that the more time you spend at school with good teachers, the more you learn - good attendance is also an indicator that parents are serious about their child's education and that there is some sort of organisation and stability in the child's life. Which is important.
- Good teachers
What makes a good teacher? To me it is someone who cares deeply for the kids, knows them well and attends to their needs (academic and social).

- **Supportive Family**

By this, I mean a family who have high expectations of their children academically, socially, behaviourally and one that works with the school to support their child's learning at home. eg listening to reading etc.

- **Optimism**

Happy/Positive people generally do better, bounce back when things go wrong, persist and believe they will succeed. A positive outlook can help enormously.

- **Reading every day**

The simplest, most powerful thing you can do for your kids educationally, is to listen to them read every day for 20 minutes. Simple as that.

There are other things that contribute to a child doing well at school. I'm sure you have a few beliefs of your own. Feel free to let me know what you think – I'd be happy to share a few responses in the newsletter.

Drop Off/Pick Up Area

Please note there are some rules regarding the drive through drop off & pick up area:

- **NO right turn out of drop off area.**
- **NO parking or waiting in this area**

We have had issues with parents insisting on turning right out of this area, even though it causes a massive gridlock, upheaval and gets other parents quite angry as it blocks everyone else.

We had this issue once again last Friday and while we understand that parents are worried about picking up their children on time and want to park there if their child is not ready, this is not allowed and you will be asked to move on.

STAFF CAR PARK

We are also constantly reminding parents and guardians to NOT park in the staff car park AT ANY TIME. Unfortunately there are limited parks on the school grounds, and therefore for staff ONLY. If you need to drop off and pick up children from OSHC or sick bay, please park outside the grounds, the car park is not a drop off and pick up area. Staff arrive to school from before 8am so it can be frustrating to find others utilising these parks.

Grades 1/2 Excursion

On Wednesday 20th March, Grades 1 and 2 went on an exciting excursion to the city. Students explored the landmarks they have been learning about during their Inquiry topic of 'What makes our city special'.

The students visited the NGV, AMCI, Federation Square, Flinders Street Station, Hosier Lane and Birrarung Marr. ***Did you know that there is a hidden ballroom at Flinders Street Station?***

It was an action packed walking adventure and everyone had a wonderful day.

I have set up a Gratitude Wall in the library, for students to add a comment about 'What are you grateful for today?'

Please encourage your child to come along and share using the post it notes I have left on the ledge for them. The idea is for students to be able to come and add their comments throughout the week (I will remove them weekly, ready for the new week commencing).

My aim is to then share their gratitude in the weekly newsletter and also have the wellbeing leaders share some of their thoughts at assembly.

Bryan and I attended the Resilience Project on Monday night, and the presenter said that in order for us to feel happier and improve our mental health, we need 3-4 crucial things- gratitude, empathy, mindfulness and connection (connection to people- disconnect from our phones).

The mental health statistics are that 1 in 7 primary school kids have a mental illness, 1 in 3 girls suffer from an anxiety disorder and 1 in 5 boys.

It would be great if we could work with children to appreciate and love what they have, NOT what they don't have. Too much attention seems to be on the things we don't have, hence, hoping the gratitude wall enables them to focus on all the great things they DO have.

Tickets are \$2 each or 3 for \$5

1st - \$100 Coles Myer Voucher and an Easter Treat

2nd - \$70 Coles Myer Voucher and an Easter Treat

3rd - \$50 Coles Myer Voucher and an Easter Treat

All tickets and money **must be** returned to the school by Monday 1st April, 2019. The raffle will be drawn at the end of term assembly, Friday 5th April

Make sure your name and phone number is clearly written on the ticket stub you return so we know who the lucky winner is! Tickets are \$2 each or 3 for \$5. There are more tickets available at the office if you need them. There will also be a \$40 prize pack for a lucky winner.

Hot Cross Buns

Hot Cross bun forms are due back at school by the 26th March and Buns will be delivered to school on Wed 3rd April.

Guess the Eggs

To raise money for the Grade 6 Graduation, the Fundraising Committee are running a fundraiser called **Guess the Eggs**.

The aim is to guess how many eggs are in the two jars. The person who has the closest guess will win the whole jar. Winners will be announced at the last assembly of Term 1.

Each guess is 50c and the fundraising committee will be accepting guesses during lunchtimes until the end of term. They will be sitting outside the 5/6 area. Listen out for reminder announcements.

*If you want to guess more than once you can line up again for another guess.

Also, there are only two more days to purchase icy poles this term. Icy poles will also be sold on Wednesday March 27th and April 3rd during lunchtime.

Thank you for supporting the fundraising efforts of Oak Park Primary Schools SRC Fundraising Committee!

Earth Hour

This Saturday, at 8.30pm, many people around the world will be taking part in Earth Hour, which is an event that attempts to draw attention to climate change and what we can do to reduce our impact. Families may be involved easily by simply switching off lights and non-essential electrical goods for an hour from 8.30pm on Saturday. You may also choose to get involved in some of the events that are going on – check out the website:

<https://www.earthhour.org.au>.

Electricity production in Australia is one of the bigger contributors to climate change because of our reliance on coal-fired power stations, which produce greenhouse gases which contribute to climate change, hence the electricity switch off.

At school during the week, students will learn some basics about climate change and will be asked to consider alternatives to electricity use for achieving our daily requirements. Classes are also being asked to switch off for an hour during the week to support this. You may wish to speak a little about this at home – the kids might be able to teach you something!

Casual Clothes Day

There will be a casual clothes day on the last day of term, Friday 5th April. **Please bring a gold coin donation if you wear casual clothes.**

Your donation will support (and be acknowledged by) the Royal Children's Hospital Good Friday Appeal 2019.

Japanese

There is another Japanese drawing competition currently running for the Japan Festival 2019, which will be held on Sunday, 19 May in Box Hill.

You can only enter as an individual (by yourself) on an **A3 piece of paper**. The theme is "Future after 20 years" and you can use any medium – for example crayons, pastels, paint, colour pens and pencils.

Please put your name and grade/year level, the name of your school and the title of your drawing on the back at the bottom right hand of the piece of paper.

Entries are due to **Sensei by 26th April** – so you can complete it in the holidays. There are 4 shopping voucher prizes on offer for the Primary School Division of the competition.

Cyber Safety

Oak Park Primary School is hosting a ThinkUKnow Presentation for Parents – Wednesday April 3rd, 7pm

ThinkUKnow is a partnership between the Australian Federal Police (AFP), the Commonwealth Bank of Australia, Datacom and Microsoft Australia and is delivered in collaboration with state and territory police. ThinkUKnow is Australia's first and only nationally delivered, law enforcement led, online safety program.

Self-protection through education and empowerment is the key for children to protect themselves against threatening or harmful situations online.

The presentation will be delivered by a local law enforcement member and an industry volunteer. The presentation covers issues relating to children and young peoples' privacy and security online, their relationships with other users and their online reputation. It provides insight into the devices young people are using, as well as the popular websites, apps and social networking sites they're accessing. This is a fantastic opportunity for you to learn more about young people and the online environment, and how you can help them to be safe and responsible users of technology.

For more information, you can visit www.thinkuknow.org.au or contact Tania Haimon on 03 9306 9182 or haimon.tania.t@edumail.vic.gov.au

The presentation is FREE, all parents and teachers are welcome and will be held in the Foundation Area (next to the library).

PASCOE VALE GIRLS SECONDARY COLLEGE

Pascoe Vale Girls College invites prospective students and parents to attend our Open Day on Monday 29 April 2019.

Information sessions followed by tours of the College will be held at the following times:

Morning: 9:00am - 10:30am

Evening: 7:00pm - 8:30pm

Parents and children only need to attend one session. There is no need to register attendance.

APPLICATIONS NOW OPEN: YEAR 7 SEAL PROGRAM 2020

The SEAL Program provides differentiated teaching and learning that meets the needs of gifted and talented learners. The Program provides stimulating learning experiences that challenge, extend, and develop the gifts of students by offering acceleration and enrichment. SEAL students will study faster paced curriculum and have the opportunity to study concepts in greater depth. There is a greater emphasis on higher order thinking and learning skills and independent learning and research. The SEAL program is suited to students who are capable of studying curriculum at a faster pace, have a strong passion for learning, are capable of working independently, enjoy intellectual challenges and have superior problem solving abilities.

Visit the College website for further information and to apply for the SEAL program:
www.pvgs.vic.edu.au

If you are unable to attend our Open Day sessions, the College also conducts tours with the Principal or an Assistant Principal throughout the year. Bookings can be made by contacting the College on 9306 2548 or online through the College website at www.pvgs.vic.edu.au.
