Local Excursion Permission

Your child may have the opportunity to be involved in a range of learning activities that include going outside of the school grounds during school hours. These 'local excursions' will be within walking distance of the school and will not require a bus or other forms of transport. Examples of local excursions include: walking to the local library, participating in 'Clean Up Day' in neighbouring streets, visits to local shops. Please sign the slip below to indicate your consent for your child to participate in such local excursions. You will be informed in advance via COMPASS and the newsletter, when a local excursion has been planned for your child's class.
