VALUES

Oak Park Primary School's values are *respect, responsibility and resilience*.

The School-Wide Positive Behaviours Support program is underpinned by the school's values. At Oak Park Primary School, our values are reflected in our everyday learning and displayed and taught explicitly in all areas of the school.

BEHAVIOURAL EXPECTATIONS

Oak Park Primary School acknowledges that the behaviour of staff, parents, carers and students has an impact on our school community and culture. We acknowledge a shared responsibility to create a positive learning environment for the children and young people at our school.

OPPS has a behaviour matrix of behaviours we wish to encourage. These relate to our values, in all parts of the school and in all school related activities. All students are to be explicitly taught the values and expected behaviours. The behaviours will be consistently monitored by all staff and the relevant behaviours are expected from every staff member.

As principals and school leaders, we will:

- model positive behaviour and effective leadership
- communicate politely and respectfully with all members of the school community
- work collaboratively to create a school environment where respectful and safe behaviour is expected of everyone
- behave in a manner consistent with the standards of our profession and meet core responsibilities to provide safe and inclusive environments
- plan, implement and review our work to ensure the care, safety, security and general wellbeing of all students at school
- identify and support students who are or may be at risk
- do our best to ensure every child achieves their personal and learning potential
- work with parents to understand their child's needs and, where necessary, adapt the learning environment accordingly
- respond appropriately when safe and inclusive behaviour is not demonstrated and implement appropriate interventions and sanctions when required
- inform parents of the school's communication and complaints procedures
- ask any person who is acting in an offensive, intimidating or otherwise inappropriate way to leave the school grounds.

As teachers and non-teaching school staff, we will:

- model positive behaviour to students consistent with the standards of our profession
- communicate politely and respectfully with all members of the school community
- proactively engage with parents about student outcomes
- work with parents to understand the needs of each student and, where necessary, adapt the learning environment accordingly
- work collaboratively with parents to improve learning and wellbeing outcomes for students with additional needs
- communicate with the principal and school leaders in the event we anticipate or face any tension or challenging behaviours from parents
- treat all members of the school community with respect.

As parents and carers, we will:

- communicate politely and respectfully with all members of the school community
